

The Town of Blacksburg conducts Brush Collection based on the following monthly schedule:

NE Quadrant: 1st Monday
NW Quadrant: 2nd Monday
SW Quadrant: 3rd Monday
SE Quadrant: 4th Monday

All brush must be placed curbside before 7:00 a.m. the Monday of your quadrant's scheduled collection date.

We look forward to providing outstanding customer service to our citizens. For additional information regarding Brush Collection, Leaf Collection, Christmas Tree Collection, or Fall and Spring Cleanup, please visit our website at www.blacksburg.gov, email your questions to recycle@blacksburg.gov, or contact the recycling office for the Town of Blacksburg at 961-1806.

Brush must be placed at curbside before 7:00 a.m. the Monday of your quadrant's scheduled pickup date.

Material placed near mailboxes, water meters, fire hydrants, posts, or other obstacles will not be collected due to the potential damage to these obstacles by Town equipment.

The Public Works Department may limit collection to one dump truck load (approximately 10'x10'x8') of brush per location.

Backyard composting is suggested as an alternative to placing small piles of brush curbside. Our equipment is designed to pick up significant amounts of brush more effectively. Small amounts of brush or yard waste can be placed in your Waste Management refuse cart for collection each week, as long as it will fit inside your trash cart and the lid will still close.

Citizens who need collection of brush and/or debris outside of their regularly scheduled collection times should call the Public Works Department at 961-1142 and request a special pickup. A special pickup is \$20 per load, plus any tipping fees charged by the Montgomery Regional Solid Waste Authority.
